Credit to Frank Cifaldi and the Video Game History Foundation for acquiring and providing me with the iso.

If you want to explore the iso yourself, isobuster is recommended.

The only files from the iso in this drive are the pcts that were converted to png, except for the Hey Pikachu Render which was already jpg. The eps files would not convert to png properly.

The folder/file names in the iso are corrupted. Here’s what each folder is:

1080 Snowboarding - 1080Åã8ÉJÉbÉg
Hey You Pikachu - å≥ãCÇ≈ÇøÇ„Ç§
OoT - É[ÉãÉ24ÉJÉbÉg
Pokemon Gold/Silver - ÉÉPÉÇÉìã‡.ã,
Pokemon Stadium - ÉÉPÉXÉ^10ÉJÉbÉg
Mario Artist - ÉÉPÉXÉ^10ÉJÉbÉg
